Spring is springing upon us....

*Howdy Papercrafters, Have you been enjoying the cooler months to stay in and get some craft done? We've certainly been making a few hot chocolates in our night time classes! We enjoyed a cool weekend at our retreat at Mapleton, and already, we've been talking about what to do at the next one! In the meantime though, we thought we'd have our huge **12 hr "Papercraft Bonanza" again** at the Bowls Club...read on for details. What better way to get in and get some craft done, organize a few friends to come, and this time round, I'll get in and do some make n takes and demos....I got so sidetracked from all the activity, I didn't pull out half my*

*goodies!!! We've just unpacked a beautiful range of **DoCrafts products** including a real cheeky shop till ya drop/ I hate housework range! As we're unpacking it, my brain is ticking over as to what cool projects we could do with them! And if you love embossing folders.....Holy Manoly.... Christmas will be embossed for sure!! Beautiful festive folders! Be quick...we had to take some off the shelf for ourselves!!! We also have some beautiful embossed velvety butterflies, and these funky flowers which are almost glazed...perfect timing for **Spring projects!** Speaking of Spring, Kylie has some gorgeous cards for Butterfly Fans. Both Donna and*

*Kylie have been inspired to do moveable cards too... Chris has been going like Crazy with the **Copic pens**, so book in for her class...they're sooo cute! And I've been mucking around with mini albums, playing with pre-printed acetate and enjoying **Christmas Card classes.** I'm also excited to have our first September Sidewalk Sale!! I'll be setting up trestle tables with plenty of bargains, (might get a few funny looks from next door hey?!) on Sat from 9am-12 on the 11th Sept. Come along!! Also, if you or any of your friends are interested in first-time scrapbooking, see our **Intro offer** on the back. Look forward to seeing you, Happy Papercrafting, Chris and Mel.*

Craft till 'ya Daft!!

It's on again.... our 12 hour event.. "Papercraft Bonanza" at the Bramble Bay Bowls Club. Now it doesn't matter if you make cards or scrapbook...(That's why I didn't want to say "Crop till ya Drop!!") it's for everyone passionate about PAPER! We enjoyed it so much last year we're at it again! You'll have a full 12 hours to get in and work on any projects you have in mind. As an extra, we

will be hosting make n takes for you to do, along with technique demonstrations and this is along with our favourite games and competitions to keep you going all day.
